

COMPANY PROFILE

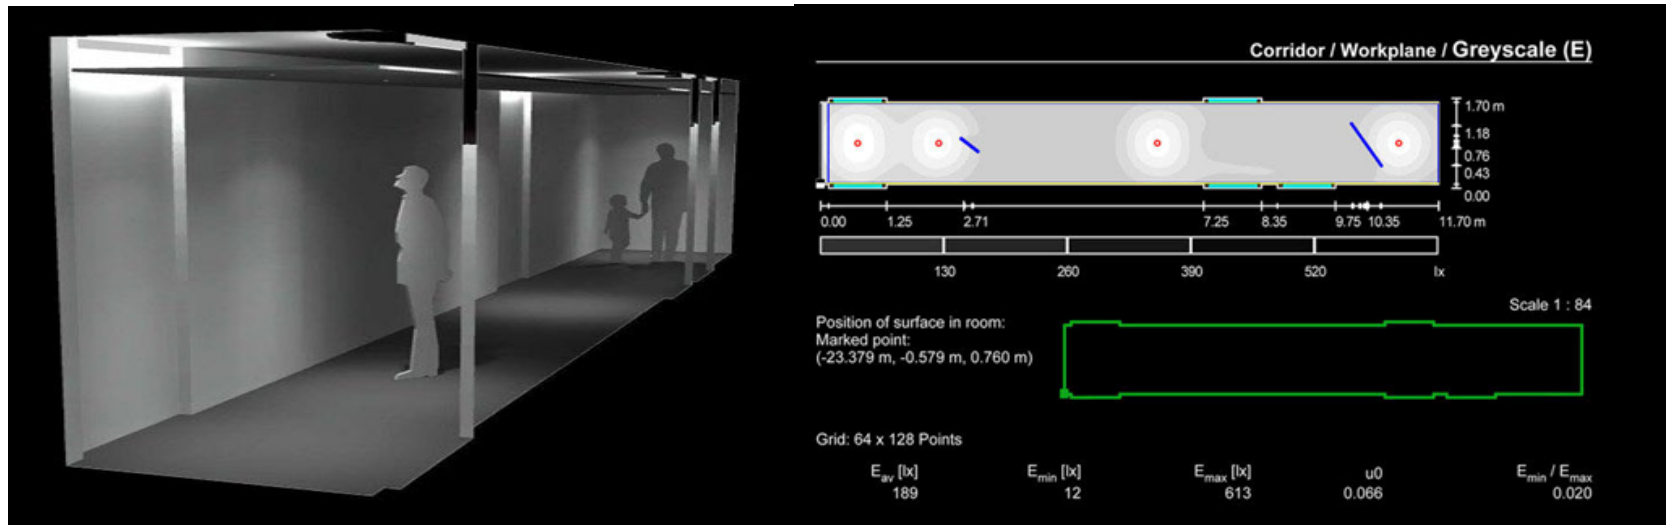

Phenomenal (Thailand) Co., Ltd. was established in 2018 by a group of professionals who have extensive experience in the fields of lighting and electrical equipment. We are an importing and distributing enterprise specializing in indoor and outdoor lighting and electrical products. We dedicate ourselves to the research, design, and development of international standard products, mainly imported from Europe, Asia and local manufacturers. Furthermore, we have a dedicated professional service team with sufficient experience to provide client-oriented services that satisfy all needs and requirements.
